

# CUSTOM VFD & SOFT-STARTER PANELS

## DATA WORKSHEET and REQUEST FOR QUOTE

Rev\_2013.11

Today's Date\*:

REP*		ASE*		Need Quote By*	
TAM*		TSS*		Requested Ship Date*	

### 1. CUSTOMER INFO:

1.1 Company Name*		1.3 Customer Phone	
1.2 Contact Name*		1.4 End User Name	

### 2. SUPPORTING PRODUCT INFO:

2.1 Product Info*	
2.1.a Enter P/N	

### 2. MOTOR DATA:

2.1 Motor HP		2.2 Motor FLA*		2.3 Service Factor	
2.4 Motor Cable length (VFDs only)		2.4 Other load data			

### 3. POWER & WIRING:

3.1 Phase*		3.2 Incoming Voltage [V]*	
3.3 Frequency*		3.4 Portable Generator Power?	

### 4. APPLICATION & ENVIRONMENT:

4.1 Application (Specify)*				4.2 Starting Method*	
4.3 Overload Rating (VFD only)*		4.4 Maximum number of starts/hr (Soft Starter only)*		4.5 Installation*	
4.6 Type of Enclosure*		4.7 Max. Ambient temperature (F)*		4.8 Specify Altitude, if installed above 3,300ft	4.9 Other Information

### 5. CIRCUIT PROTECTION:

5.1 Protective Device*		5.1.a Other Protective Device:	
------------------------	--	--------------------------------	--

### 6. COVER MOUNTED 22mm DEVICES: (if yes, enter quantities)

6.1 Keypad		6.2 Start/Stop PBs		6.3 Speed potentiometer (VFD only)		6.4 Run/Fault Pilot Lights		6.5 H-O-A Selector Switch		6.6 E-Stop PB	
6.7 Speed indicating meter		6.8 Elapsed time meter		6.9 Other (Specify)							

### 7. OTHER DEVICES:

7.1 Lightning Arrestor		7.2 Panel space heater		7.3 Motor space heater circuit (specify watts)		7.4 Contactors	
7.5 Full HP rated AC3 external Bypass						7.6 Input filtering (VFD only)	
7.7 Output filtering (VFD only)							

### 8. OTHER SPECIFICATIONS:

\* required fields

When completed, please contact your regional WEG sales specialist at 1-800-ASK-4-WEG (275-4934) for directions on submittal for quotation. WEG can help you complete any further pertinent information to quote.
