# **Product End-of-Life Instructions**

## THERMAL OVERLOAD RELAY RW67-5D

### **Purpose**

**Note 1:** The intent of this document is to provide guidance on the presence of materials and components at the product/family level, as required by the Directive 2012/19/EU, Waste Electrical and Electronic Equipment (WEEE).

**Note 2:** Products that comply with the WEEE are marked with a crossed-out wheeled bin symbol, as show beside, which indicates:

- The product cannot be disposed of in a municipal waste collection point;
- It should undergo a waste sorting process of electrical and electronic equipment and batteries;
- The horizontal bar below the wheeled bin indicates the device was placed on the market after August 13, 2005.

**Note 3:** Products of this range are in accordance with European RoHS Directive 2011/65/EU and Directive 2015/863.

#### **Product overview**

**Product Range:** RW67-5D; two-pole and three-pole;

Setting current: 25 up to 80 A;

Rated insulation voltage Ui: 690 Vac/Vdc for main terminals and auxiliary

terminals;

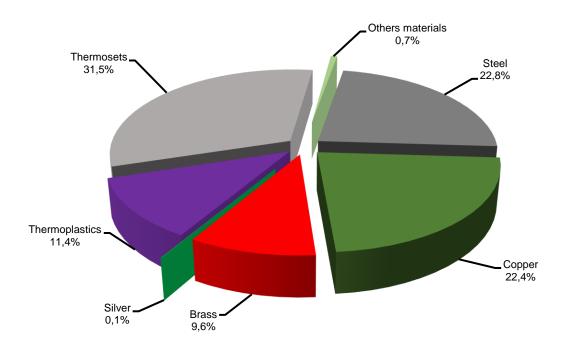

Rated operational frequency: 0 up to 400 Hz.

**Size (H x L x D) [mm]:** (71.4 x 106.5 x 50)

Weight [g]: Between 290 and 350 excluding packaging.

The analysis used for this product range is based on RW67-5D3-U057.

#### Materials Used or Constituent Materials

The materials used in the product range and the corresponding weight are disposed below, in *table 1*. The information about the constituent materials is referring to model RW67-5D3-U057.

Table 1 - Materials and corresponding weight for referring product RW67-5D3-U057.

Material	Weight [g]
Steel	69.7
Copper	68.4
Brass	29.2
Silver	0.2
Thermoplastics	34.9
Thermosets	96.0
Others materials	2.0
Ceramics	4.8

### **Caution:**

\* Plastic parts with brominated flame retardant are listed in Table 2. Recommendation: **special treatment.** 

Table 2 – Plastic parts with brominated flame retardant.

Components	Weight [g]
	0.34
	0.56
	0.24

Components	Weight [g]
	0.13
	0.90
	0.35

## Recommended operation for the end-of-life:

Dismantle the product | Remove components | Recycle it!
