To whom it may concern,

WEG Equipamentos Elétricos is committed to compliance with the California's Safe Drinking Water and Toxic Enforcement Act of 1986 known as California Proposition 65 ("Prop 65").

This legislation establishes requirements for consumer warnings and restrictions on exposure to chemicals known to cause cancer, birth defects, or other reproductive harm.

According to the best of our knowledge and based on the information made available to us by our suppliers, we declare:

- At least one substance listed in "P65 CA Chemical list" could be involved in the production process of materials used by WEG, even if in a very low percentage, such as Lead.
- Even if such substances are present, they are not present in a "free-form", which ensures there is no risk of exposure to the consumer and user.
- The listed products do not release any P65 substances when used under normal operating conditions.

Therefore, under normal operating conditions, the products listed below are not designed to release any Prop 65 substances, minimizing the risk of consumer and user exposure.
