CFW11 KIT IP21 E-F-G

14347623

Document: 10005594698 / 01

1 GENERAL INFORMATION 1 INFORMACIONES GENERALES 1 INFORMAÇÕES GERAIS

For fixing the kit, position the metal cover on the top surface of the inverter and secure it with the two screws.

Para fijar el kit, coloque la cubierta metálica en la superficie superior del inversor y asegúrela con los dos tornillos.

Para fixar o kit, posicionar a tampa metálica na superfície superior do inversor e fixá-la com os dois parafusos.
