Control Panel Retrofit Solutions

Complete Panel Replacement

- Full System Modernization: Get a brand-new WEG control panel, pre-wired and tested, for a complete overhaul.
- Enhanced Safety & Reliability: WEG Industrial Refrigeration control panels are rated 65kAIC SCCR and include a full panel warranty.
- Modernized control: Gain access to advanced features, improved communication capabilities, and easier maintenance.
- Future-proof your system: Invest in a solution that adapts to your evolving needs and regulations.

Retrofit Replacement Soft Starter Chassis:

- Drop-in simplicity: The SSW900 soft starter is proven to fit within the space of legacy models like the RAM DBS, minimizing disruption and installation time. In stock and ready to ship.
- Cost-effective upgrade: Keep your existing enclosure, oil pump starter, and other components.
- Quick and easy: Easy installation and startup gets your system back online fast, saving you production time.
- Modernize your technology: Enjoy reduced energy consumption, extended motor life, and enhanced operational efficiency.
