To whom it may concern,

WEG Equipamentos Elétricos is committed to compliance with Regulation (EC) 850/2004 on Persistent Organic Pollutants (POP's), which was recast by Regulation 2019/1021/EU.

This legislation, based on substances defined by the Stockholm Convention as Persistent Organic Pollutants; bans, phases out and restricts production of POPs with the aim of protecting human health and the environment.

WEG Equipamentos Elétricos confirms, according to the best of our knowledge and based on information made available to us by our suppliers, that our products, manufactured in Brazil, do not have any persistent organic pollutants mentioned in this legislation, therefore complying with Regulation (EC) 850/2004 and Regulation 2019/1021/EU.

If further information is required, please feel free to contact us.

Jaraguá do Sul, February 23th, 2024.
