# ENERGY

that **moves** us.

Energy moves the planet, connects the world and drives our actions. From small systems to large projects around the world, WEG offers the best solutions when the subject is energy.

Innovation and efficiency follow us in all initiatives and guide our performance in all continents.

Here, you can learn about WEG market coverage and become familiar about the manufacturing sites and commercial operations in each continent.

**Anytime, anywhere, the complete solution that the industry needs at the speed that the market demands.**
