www.weg.net

To whom it may concern,

WEG México is committed to compliance with International Maritime Organization (IMO) regulations, specifically the International Convention of Life at Sea (SOLAS) and its amendments.

This convention establishes requirements for the use of asbestos materials on board ships.

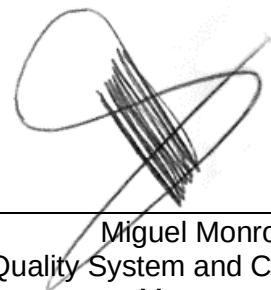

According to the best of our knowledge and based on information made available to us by our suppliers, the products listed below do not contain asbestos in any nature or form.

Product list:

Electric motors manufactured in Mexico by Division Motors

If further information is required, please feel free to contact us.
