

WEG Equipamentos Elétricos S.A.

Av. Prefeito Waldemar Grubba, 3000
89256-900 - Jaraguá do Sul – SC – Brazil
www.weg.net

To whom it may concern,

WEG Equipamentos Elétricos is committed to compliance with Regulation (EU) 2025/40 on packaging and packaging waste.

This legislation establishes requirements for packaging design, dimensional criteria, limits on hazardous substances, and the use of materials that facilitate packaging recovery and valorization for packaging placed on the European Community market.

According to the best of our knowledge and based on information made available by our suppliers, the products listed below and the packaging detailed in Table 1 comply with the requirements of Regulation (EU) 2025/40.

Product list:

Electric motors manufactured in Brazil by Motors Division.

If further information is required, please feel free to contact us.

Jaraguá do Sul, August 03th, 2026.
