

WEG Optimal Match Warranty

WEG Optimal Match Warranty is a thirty six (36) month warranty available when a low voltage motor is applied with a WEG low voltage drive or soft starter. In order to qualify for the warranty, the products must be registered and approved by WEG's warranty department with this form.

Drives and motors that qualify for this Optimal Match Warranty are W22 motors coupled with CFW11 up to 600HP (720A); all CFW500/501, CFW700/701; CFW08; and CFW09 drives.

Soft starters and motors that qualify for this Optimal Match Warranty are W22 motors coupled with SSW06 up to 550HP (670A); and all SSW07 soft starters. This offer is available in the US Only.

Please fill in the following information completely, otherwise this application will be void. Please send this form to automationtech@weg.net or fax it to WEG service department at 678.249.1171.
