

ICONTEC Certifica que el Sistema de Gestión de la organización:

ICONTEC certifies that the Organization's Management System of:

WEG COLOMBIA S.A.S

Kilómetro 2.0 Vía Siberia - Tenjo, Terminales Logísticos de Colombia, Manzana 2, Bodegas 1 - 5, Cota, Cundinamarca, Colombia

Véase las actividades cubiertas por el sistema de gestión para cada una de las sedes permanentes diferentes a la sede principal en el anexo

ha sido auditado y aprobado con respecto a los requisitos especificados en:

has been audited and approved based on the specified requirements of:

ISO 45001:2018

Este Certificado es aplicable al siguiente alcance:

This certificate is applicable to the following scope:

Supply and marketing of electrical equipment including: motors, control and protection, drives, generators, turbines and hydromechanical equipment, gearboxes, synchronous compensators, reactors, power transformers, autotransformers, yard equipment, solar solutions, fixed and mobile substations in low voltage (up to 1000V), medium voltage (up to 13.8 kV) and high voltage (up to 230 kV) Supply and marketing of powder coatings for the industry in general. Design, assembly and installation, testing and/or commissioning of autotransformers and transformers for electrical substations in low voltage (up to 1000V), medium voltage (up to 13.8 kV) and high voltage (up to 230 kV) Construction, assembly, testing and commissioning of electrical substations for transmission (up to 500kV) and power distribution systems (up to 34.5 kV) Design, production, distribution and marketing of medium voltage (up to 13.8kV) and low voltage (up to 1000V) switchboards for control, distribution, protection and measurement, automatic transfers, synchronization systems, power factor correction systems, fixed and mobile motor and electrocenter control centers, medium and low voltage frequency converters. Assembly, marketing, supply and commissioning of generator sets. Marketing, distribution, installation, commissioning and maintenance of ignition systems, instrumentation, control and equipment for the supervision and monitoring of reciprocating machines. Marketing and distribution of biofuel conversion systems for industrial engines. Services of: Automation, overhaul and diagnosis, testing, installation, commissioning, maintenance and upgrade of medium voltage (up to 13.8 kV) and high voltage (up to 230 kV) electrical systems. Design, manufacture and marketing of dry transformers and transformers immersed in insulating liquids. Repair and maintenance of transformers in factory, on site and field services. Assembly, diagnosis, testing and commissioning of generators, steam and hydromechanical turbines, gearboxes, Synchronous Compensators and medium voltage motors.

Esta aprobación está sujeta a que el sistema de gestión se mantenga de acuerdo con los requisitos especificados, lo cual será verificado por ICONTEC

This approval is subject to the maintenance of the management system according to the specified requirements, which will be verified by ICONTEC

Certificate

ICONTEC has issued an IQNet recognized certificate that the **organization**

WEG COLOMBIA S.A.S

Kilómetro 2.0 Vía Siberia - Tenjo, Terminales Logísticas de Colombia, Manzana 2, Bodegas 1 - 5, Cota, Cundinamarca, Colombia
Véase las actividades cubiertas por el sistema de gestión para cada una de las sedes permanentes diferentes a la sede principal en el anexo

has implemented and maintains a

OCUPATIONAL HEALTH AND SAFETY MANAGEMENT SYSTEM for the following scope:

Supply and marketing of electrical equipment including: motors, control and protection, drives, generators, turbines and hydromechanical equipment, gearboxes, synchronous compensators, reactors, power transformers, autotransformers, yard equipment, solar solutions, fixed and mobile substations in low voltage (up to 1000V), medium voltage (up to 13.8 kV) and high voltage (up to 230 kV) Supply and marketing of powder coatings for the industry in general. Design, assembly and installation, testing and/or commissioning of autotransformers and transformers for electrical substations in low voltage (up to 1000V), medium voltage (up to 13.8 kV) and high voltage (up to 230 kV) Construction, assembly, testing and commissioning of electrical substations for transmission (up to 500kV) and power distribution systems (up to 34.5 kV) Design, production, distribution and marketing of medium voltage (up to 13.8kV) and low voltage (up to 1000V) switchboards for control, distribution, protection and measurement, automatic transfers, synchronization systems, power factor correction systems, fixed and mobile motor and electrocenter control centers, medium and low voltage frequency converters. Assembly, marketing, supply and commissioning of generator sets. Marketing, distribution, installation, commissioning and maintenance of ignition systems, instrumentation, control and equipment for the supervision and monitoring of reciprocating machines. Marketing and distribution of biofuel conversion systems for industrial engines. Services of: Automation, overhaul and diagnosis, testing, installation, commissioning, maintenance and upgrade of medium voltage (up to 13.8 kV) and high voltage (up to 230 kV) electrical systems. Design, manufacture and marketing of dry transformers and transformers immersed in insulating liquids. Repair and maintenance of transformers in factory, on site and field services. Assembly, diagnosis, testing and commissioning of generators, steam and hydromechanical turbines, gearboxes, Synchronous Compensators and medium voltage motors.

which fulfils the requirements of the following standard

ISO 45001:2018

Issued on: 2026-08-31

First Issued on: 2018-08-31

Expires on: 2027-08-30
